MINNEAPOLIS (February 5, 2007) – Ann Krause, FIC, LUTCF, a Sons of Norway Financial Benefits Counselor located in Minto, ND., has been honored for her professional excellence in insurance sales by being named to the organization's Executive Council for her production in life insurance, annuities, Medicare Supplemental Insurance and long-term care insurance sales for Sons of Norway in 2006.

This award is given to Sons of Norway's top performing Financial Benefits Counselors; it recognizes Krause's sales achievements and dedication to her clients. She was ranked among the top five in the company for total life production, lives insured and first in new member recruitment.

Krause is a member of the Minot NAIFA chapter, and has been active in the profession for 10 years. She is also a member of Sons of Norway, Minot Rotary, Scandinavian Heritage Association, Chamber Ambassadors, and Minot Symphony Association, it's endowment board as well as a cellist with the orchestra. She is married and has one daughter.

Sons of Norway was organized as a fraternal benefit society by 18 Norwegian immigrants in Minneapolis, Minnesota, on January 16, 1895. The purposes and goals of the founding fathers were to protect members of Sons of Norway and their families from the financial hardships experienced during times of sickness or death in the family. Over time, the mission of Sons of Norway was expanded to include the preservation of Norwegian heritage and culture in our society. In the last century Sons of Norway has grown to become the largest Norwegian-American organization in the world.
