Greg Ragan Awarded Sons of Norway President's Council Award

MINNEAPOLIS (February 5, 2007) – Greg Ragan, FIC, a Sons of Norway Financial Benefits Counselor located in Rockford, IL., has been honored for his professional excellence in insurance sales by being named to the organization's President's Council.

The award is given to Sons of Norway's top-performing Financial Benefits Counselors, who finished 2006 with more than 64,000 production credits. By meeting the requirements of the President's Council, Sons of Norway has rewarded Ragan with a six day trip to Mexico.

Sons of Norway was organized as a fraternal benefit society by 18 Norwegian immigrants in Minneapolis, Minnesota, on January 16, 1895. The purposes and goals of the founding fathers were to protect members of Sons of Norway and their families from the financial hardships experienced during times of sickness or death in the family. Over time, the mission of Sons of Norway was expanded to include the preservation of Norwegian heritage and culture in our society. In the last century Sons of Norway has grown to become the largest Norwegian-American organization in the world.
